"SECTION 113. IC 6-1.1-20.2 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]:

Chapter 20.2. Inventory Tax Credit

Sec. 1. As used in this chapter, "inventory" has the meaning set forth in IC 6-1.1-3-11.

Sec. 2. As used in this chapter, "net property tax liability on inventory" means the property taxes attributable to inventory that are due and payable as shown on the property tax statement sent to a taxpayer after all deductions and credits have been applied under any other statute.

Sec. 3. (a) A taxpayer is entitled to a credit under this chapter against the taxpayer's net property tax liability on inventory under IC 6-1.1-2.

(b) The amount of the credit is equal to one hundred percent (100%) of the taxpayer's net property tax liability on inventory for the year.

Sec. 4. (a) The county assessor shall determine the amount of each property owner's assessed value that is attributable to inventory in the county. Before December 1 of each year, the county assessor shall provide the county auditor with the amount of inventory assessed value for each owner.

(b) The county auditor shall compute the amount of property taxes in the county that is attributable to inventory assessed value

as reported by the county assessor using the same property tax liability that is used to calculate the property tax replacement credit under IC 6-1.1-21-5, after deducting the property tax replacement credit under IC 6-1.1-21.

Sec. 5. A taxpayer desiring to claim the credit provided by this chapter must file a certified application on forms prescribed by the department of local government finance with the auditor of each county in which the taxpayer's inventory was located on the assessment date.

Sec. 6. Before February 1 of each year, each county auditor shall certify to the department of local government finance the amount of credits allowed under this chapter in the county for that calendar year. Except as otherwise provided in this chapter, the credits shall be determined in the same manner as property tax replacement credits are determined under IC 6-1.1-21, after deducting the property tax replacement credit under IC 6-1.1-21.

Sec. 7. (a) Each year the auditor of state shall allocate from the state general fund an amount equal to the total amount of credits that are provided under this chapter for each county for that year in the same manner as the homestead credits are allocated from the property tax replacement fund under IC 6-1.1-21.

(b) The auditor of state shall distribute to each county treasurer from the state general fund the estimated distribution for that year for the county at the same time and in the same manner as the homestead credit distributions are made under IC 6-1.1-21. The money in the state general fund is appropriated to make the distributions.

(c) All distributions provided in this section shall be made on warrants issued by the auditor of state drawn on the treasurer of state.

Sec. 8. To the extent it is consistent with this chapter, IC 6-1.1-21 applies with respect to the credit under this chapter.

SECTION 114. IC 6-1.1-20.9-2, AS AMENDED BY P.L.291-2001, SECTION 125, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 2. (a) Except as otherwise provided in section 5 of this chapter, an individual who on March 1 of a particular year either owns or is buying a homestead under a contract that provides the individual is to pay the property taxes on the homestead is entitled each calendar year to a credit against the property taxes which the individual pays on the individual's homestead. However, only one (1) individual may receive a credit under this chapter for a particular homestead in a particular year.

(b) The amount of the credit to which the individual is entitled equals the product of:

- (1) the percentage prescribed in subsection (d); multiplied by
- (2) the amount of the individual's property tax liability, as that term is defined in IC 6-1.1-21-5, which is attributable to the

homestead during the particular calendar year.

(c) For purposes of determining that part of an individual's property tax liability that is attributable to the individual's homestead, all deductions from assessed valuation which the individual claims under IC 6-1.1-12 or IC 6-1.1-12.1 for property on which the individual's homestead is located must be applied first against the assessed value of the individual's homestead before those deductions are applied against any other property.

(d) The percentage of the credit referred to in subsection (b)(1) is as follows:

YEAR	PERCENTAGE OF THE CREDIT
1996	8%
1997	6%
1998 through 2003 2002	10%
2004 2003 and thereafter	4% 20%

However, the property tax replacement fund board established under IC 6-1.1-21-10, in its sole discretion, may increase the percentage of the credit provided in the schedule for any year, if the board feels that the property tax replacement fund contains enough money for the resulting increased distribution. If the board increases the percentage of the credit provided in the schedule for any year, the percentage of the credit for the immediately following year is the percentage provided in the schedule for that particular year, unless as provided in this subsection the board in its discretion increases the percentage of the credit provided in the schedule for that particular year. However, the percentage credit allowed in a particular county for a particular year shall be increased if on January 1 of a year an ordinance adopted by a county income tax council was in effect in the county which increased the homestead credit. 41 least one (1) year immediately preceding the date that the
42 application is received.

43 (2) The applicant's project will raise the total earnings of

46 benefit the people of Indiana by increasing opportunities for
47 employment and strengthening the economy of Indiana.

(4) Receiving the tax credit is a major factor in the applicant's decision to go forward with the project and not receiving the tax credit will result in the applicant not raising the total earnings of employees in Indiana.

(5) Awarding the tax credit will result in an overall positive fiscal impact to the state, as certified by the budget agency using the best available data.

(6) The credit is not prohibited by section 16 of this chapter.

Sec. 17. The board shall certify the amount of the qualified investment that is eligible for a credit under this chapter. In determining the credit amount that should be awarded, the board shall grant a credit only for the amount of the qualified investment that is directly related to expanding the workforce in Indiana.

Sec. 18. The board shall enter into an agreement with an applicant that is awarded a credit under this chapter. The agreement must include all the following:

(1) A detailed description of the project that is the subject of the agreement.

(2) The first taxable year for which the credit may be claimed.

(3) The amount of the taxpayer's state tax liability for each tax in the taxable year of the taxpayer that immediately preceded the first taxable year in which the credit may be claimed.

(4) The maximum tax credit amount that will be allowed for each taxable year.

(5) A requirement that the taxpayer shall maintain operations at the project location for at least ten (10) years during the term that the tax credit is available.

(8) A requirement that the director is authorized to verify

with the appropriate state agencies the amounts reported under subdivision (7) and, after doing so, shall issue a certificate to the taxpayer stating that the amounts have been verified.

(9) A requirement that the taxpayer shall pay an average wage to all of its employees (excluding officers, partners, and shareholders) in each taxable year that a tax credit is available that equals at least one hundred fifty percent (150%) of the hourly minimum wage under IC 22-2-2-4 or its equivalent.

(13) Any other performance conditions that the board determines are appropriate.

Sec. 19. A taxpayer claiming a credit under this chapter shall submit to the department of state revenue a copy of the director's certificate of verification under this chapter for the taxable year. However, failure to submit a copy of the certificate does not invalidate a claim for a credit.

Sec. 20. If the director determines that a taxpayer who has received a credit under this chapter is not complying with the requirements of the tax credit agreement or all the provisions of this chapter, the director shall, after giving the taxpayer an opportunity to explain the noncompliance, notify the department of commerce and the department of state revenue of the noncompliance and request an assessment. The department of state revenue, with the assistance of the director, shall state the amount of the assessment, which may not exceed the sum of any previously allowed credits under this chapter. After receiving the notice, the department of state revenue shall make an assessment against the taxpayer under IC 6-8.1.

Sec. 21. On or before March 31 each year, the director shall submit a report to the board on the tax credit program under this chapter. The report must include information on the number of agreements that were entered into under this chapter during the

preceding calendar year, a description of the project that is the subject of each agreement, an update on the status of projects under agreements entered into before the preceding calendar year, and the sum of the credits awarded under this chapter. A copy of the report shall be delivered to the executive director of the legislative services agency for distribution to the members of the general assembly.

Sec. 22. On a biennial basis, the board shall provide for an evaluation of the tax credit program, giving first priority to using the Indiana economic development council, established under IC 4-3-14-4. The evaluation shall include an assessment of the effectiveness of the program in creating new jobs and increasing wages in Indiana and of the revenue impact of the program and may include a review of the practices and experiences of other states with similar programs. The director shall submit a report on the evaluation to the governor, the president pro tempore of the senate, and the speaker of the house of representatives after June 30 and before November 1 in each odd-numbered year."

"SECTION 244. IC 10-1-2-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 2. (a) Authority is granted to the department to establish and operate an actuarially sound pension plan governed by a pension trust and to make the necessary annual contribution in order to prevent any deterioration in the actuarial status of the trust fund.

(b) Contributions shall be made to the trust fund by the department and by each employee beneficiary through authorized monthly deductions from wages.

(c) The trust fund may not be commingled with any other funds and shall be invested only in accordance with Indiana laws for the investment of trust funds, together with such other investments as are specifically designated in the pension trust. Subject to the terms of the pension trust, the trustee, with the approval of the Department and the Pension Advisory Board, may establish investment guidelines and limits on all types of investments (including, but not limited to, stocks and bonds) and take other action necessary to fulfill its duty as a fiduciary for the trust fund. However, the trustee shall invest the trust fund assets with the same care, skill, prudence, and diligence that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character with like aims. The trustee shall also diversify such investments in accordance

1 with prudent investment standards, **subject to the limitations and**
 2 **restrictions set forth in IC 5-10.2-2-18.** The investment of trust funds
 3 is subject to section 2.5 of this chapter.

4 (d) The trustee shall receive and hold as trustee for the uses and
 5 purposes set forth in the pension trust any and all funds paid by the
 6 department, the employee beneficiaries, or by any other person or
 7 persons.

8 (e) The trustee shall engage pension consultants to supervise and
 9 assist in the technical operation of the pension plan in order that there
 10 may be no deterioration in the actuarial status of the plan.

11 (f) Before October 1 of each year, the trustee, with the aid of the
 12 pension consultants, shall prepare and file a report with the department
 13 and the state board of accounts. The report must include the following
 14 with respect to the fiscal year ending on the preceding June 30:

15 SCHEDULE I. Receipts and disbursements.

16 SCHEDULE II. Assets of the pension trust, listing investments as
 17 to book value and current market value at the end of the fiscal
 18 year.

19 SCHEDULE III. List of terminations, showing cause and amount
 20 of refund.

21 SCHEDULE IV. The application of actuarially computed "reserve
 22 factors" to the payroll data, properly classified for the purpose of
 23 computing the reserve liability of the trust fund as of the end of
 24 the fiscal year.

25 SCHEDULE V. The application of actuarially computed "current
 26 liability factors" to the payroll data, properly classified for the
 27 purpose of computing the liability of the trust fund for the end of
 28 the fiscal year.

29 SCHEDULE VI. An actuarial computation of the pension liability
 30 for all employees retired before the close of the fiscal year.

31 (g) The minimum annual contribution by the department must be of
 32 sufficient amount, as determined by the pension consultants, to prevent
 33 any deterioration in the actuarial status of the pension plan during that
 34 year. If the department fails to make the minimum contribution for five
 35 (5) successive years, the pension trust terminates and the trust fund
 36 shall be liquidated.

37 (h) In the event of liquidation, all expenses of the pension trust shall
 38 be paid, adequate provision shall be made for continuing pension
 39 payments to retired persons, and each employee beneficiary shall
 40 receive the net amount paid into the trust fund from wages. Any
 41 remaining sum shall be equitably divided among employee
 42 beneficiaries in proportion to the net amount paid from their wages into
 43 the trust fund.

44 SECTION 245. IC 10-1-2-6 IS AMENDED TO READ AS
 45 FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 6. The mortality reserve
 46 account referred to in section 3 of this chapter, the disability reserve

account referred to in section 4 of this chapter, and the dependent pension reserve account referred to in section 5 of this chapter may be commingled and operated as one (1) fund, known as the police benefit fund, under the terms of a supplementary trust agreement between the department and the trustee for the exclusive benefit of employee beneficiaries and their dependents. The trustee shall receive and hold as trustee for the uses and purposes set out in the supplementary trust agreement all funds paid to it as such trustee by the department or by any other person or persons. The trustee shall hold, invest, and reinvest the police benefit fund in such investments as it is permitted under the laws of Indiana to invest trust funds and such other investments as may be specifically designated in the supplementary trust agreement. **If the trustee decides to allocate part of the assets of the police benefit fund to alternative investments (as defined in IC 5-10.2-2-18), the trustee shall comply with the limitations and restrictions set forth in IC 5-10.2-2-18.** The trustee, with the assistance of the pension engineers, shall, within ninety (90) days after the close of the fiscal year, prepare and file with the department and the Indiana insurance department a detailed annual report showing receipts, disbursements, and case histories and making recommendations as to the necessary contributions required to keep the program in operation. Contributions by the department to the police benefit fund shall be provided in the general appropriations to the department."

- 38 establishing the terms and conditions governing a certified
- 39 technology park designated under section 11 of this chapter. Upon
- 40 designation of the certified technology park under the terms of the
- 41 agreement, the subsequent failure of any party to comply with the
- 42 terms of the agreement does not result in the termination or
- 43 rescission of the designation of the area as a certified technology
- 44 park. The agreement must include the following provisions:
 - 45 (1) A description of the area to be included within the certified
 - 46 technology park.

(6) The public facilities to be developed for the certified technology park and the costs of those public facilities, as approved by the department of commerce.

Sec. 13. (a) If the department of commerce determines that a sale price or rental value at below market rate will assist in increasing employment or private investment in a certified technology park, the redevelopment commission and the legislative body of the unit may determine the sale price or rental value for public facilities owned or developed by the redevelopment commission and the unit in the certified technology park at below market rate.

(b) If public facilities developed under an agreement entered into under this chapter are conveyed or leased at less than fair market value or at below market rates, the terms of the conveyance or lease shall include legal and equitable remedies and rights to assure that the public facilities are used for high technology activities or as a business incubator. Legal and equitable remedies and rights may include penalties and actual or liquidated damages.

Sec. 14. The department of commerce shall market the certified technology park. The department and a redevelopment commission may contract with each other or any third party for these marketing services.

Sec. 15. (a) Subject to the approval of the legislative body of the unit that established the redevelopment commission, the redevelopment commission may adopt a resolution designating a certified technology park as an allocation area for purposes of the allocation and distribution of property taxes.

(b) After adoption of the resolution under subsection (a), the redevelopment commission shall:

(1) publish notice of the adoption and substance of the resolution in accordance with IC 5-3-1; and

(2) file the following information with each taxing unit that has authority to levy property taxes in the geographic area

1 where the certified technology park is located:

2 (A) A copy of the notice required by subdivision (1).

3 (B) A statement disclosing the impact of the certified
4 technology park, including the following:

5 (i) The estimated economic benefits and costs incurred
6 by the certified technology park, as measured by
7 increased employment and anticipated growth of real
8 property assessed values.

9 (ii) The anticipated impact on tax revenues of each
10 taxing unit.

11 The notice must state the general boundaries of the certified
12 technology park and must state that written remonstrances may be
13 filed with the redevelopment commission until the time designated
14 for the hearing. The notice must also name the place, date, and
15 time when the redevelopment commission will receive and hear
16 remonstrances and objections from persons interested in or
17 affected by the proceedings pertaining to the proposed allocation
18 area and will determine the public utility and benefit of the
19 proposed allocation area. The commission shall file the information
20 required by subdivision (2) with the officers of the taxing unit who
21 are authorized to fix budgets, tax rates, and tax levies under
22 IC 6-1.1-17-5 at least ten (10) days before the date of the public
23 hearing. All persons affected in any manner by the hearing,
24 including all taxpayers within the taxing district of the
25 redevelopment commission, shall be considered notified of the
26 pendency of the hearing and of subsequent acts, hearings,
27 adjournments, and orders of the redevelopment commission
28 affecting the allocation area if the redevelopment commission gives
29 the notice required by this section.

30 (c) At the hearing, which may be recessed and reconvened
31 periodically, the redevelopment commission shall hear all persons
32 interested in the proceedings and shall consider all written
33 remonstrances and objections that have been filed. After
34 considering the evidence presented, the redevelopment commission
35 shall take final action determining the public utility and benefit of
36 the proposed allocation area confirming, modifying and
37 confirming, or rescinding the resolution. The final action taken by
38 the redevelopment commission shall be recorded and is final and
39 conclusive, except that an appeal may be taken in the manner
40 prescribed by section 16 of this chapter.

41 Sec. 16. (a) A person who files a written remonstrance with the
42 redevelopment commission under section 15 of this chapter and is
43 aggrieved by the final action taken may, within ten (10) days after
44 that final action, file with the office of the clerk of the circuit or
45 superior court of the county a copy of the redevelopment
46 commission's resolution and the person's remonstrance against the
47 resolution, together with the person's bond as provided by

1 **IC 34-13-5-7.**

2 (b) An appeal under this section shall be promptly heard by the
3 court without a jury. All remonstrances upon which an appeal has
4 been taken shall be consolidated and heard and determined within
5 thirty (30) days after the time of filing of the appeal. The court
6 shall decide the appeal based on the record and evidence before the
7 redevelopment commission, not by trial de novo, and may confirm
8 the final action of the redevelopment commission or sustain the
9 remonstrances. The judgment of the court is final and conclusive,
10 unless an appeal is taken as in other civil actions.

11 **Sec. 17. (a) An allocation provision adopted under section 15 of**
12 **this chapter must:**

- 13 (1) apply to the entire certified technology park; and
14 (2) require that any property tax on taxable property
15 subsequently levied by or for the benefit of any public body
16 entitled to a distribution of property taxes in the certified
17 technology park be allocated and distributed as provided in
18 subsections (b) and (c).

19 (b) Except as otherwise provided in this section, the proceeds of
20 the taxes attributable to the lesser of:

- 21 (1) the assessed value of the taxable property for the
22 assessment date with respect to which the allocation and
23 distribution is made; or
24 (2) the base assessed value;

25 shall be allocated and, when collected, paid into the funds of the
26 respective taxing units.

27 (c) Except as provided in subsection (d), all the property tax
28 proceeds that exceed those described in subsection (b) shall be
29 allocated to the redevelopment commission for the certified
30 technology park and, when collected, paid into the certified
31 technology park fund established under section 23 of this chapter.

32 (d) Before July 15 of each year, the redevelopment commission
33 shall do the following:

- 34 (1) Determine the amount, if any, by which the property tax
35 proceeds to be deposited in the certified technology park fund
36 will exceed the amount necessary for the purposes described
37 in section 23 of this chapter.
38 (2) Notify the county auditor of the amount, if any, of excess
39 tax proceeds that the redevelopment commission has
40 determined may be allocated to the respective taxing units in
41 the manner prescribed in subsection (c). The redevelopment
42 commission may not authorize an allocation of property tax
43 proceeds under this subdivision if to do so would endanger the
44 interests of the holders of bonds described in section 24 of this
45 chapter.

46 (e) Notwithstanding any other law, each assessor shall, upon
47 petition of the redevelopment commission, reassess the taxable

property situated upon or in, or added to, the certified technology park effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the certified technology park, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the taxable property as valued without regard to this section; or

(2) the base assessed value.

Sec. 18. (a) A redevelopment commission may, by resolution, provide that each taxpayer in a certified technology park that has been designated as an allocation area is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the certified technology park:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of the county's total eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to the certified technology park fund under section 17 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the certified technology park fund under section 17 of this chapter.

(b) The additional credit under subsection (a) shall be:

14 (b) After each general reassessment under IC 6-1.1-4, the
 15 department of local government finance shall adjust the base
 16 assessed value one (1) time to neutralize any effect of the general

 34 and the income tax base period amount.

35 Sec. 21. Before the first business day in October of each year,
 36 the department of state revenue shall calculate the income tax

 46 deposited during each state fiscal year in the incremental tax
 47 financing fund established for a certified technology park under

(c) Not more than a total of five million dollars (\$5,000,000) may be deposited in a particular incremental tax financing fund for a certified technology park over the life of the certified technology park.

(d) On or before the twentieth day of each month, all amounts held in the incremental tax financing fund established for a certified technology park shall be distributed to the redevelopment commission for deposit in the certified technology park fund established under section 23 of this chapter.

Sec. 23. (a) Each redevelopment commission that establishes a certified technology park under this chapter shall establish a certified technology park fund to receive:

(1) property tax proceeds allocated under section 17 of this chapter; and

(2) money distributed to the redevelopment commission under section 22 of this chapter;

(3) other funds available to the redevelopment commission; or

(4) a combination of the methods stated in subdivisions (1) through (3).

(e) The bonds must mature within fifty (50) years.

(f) The redevelopment commission shall sell the bonds at public or private sale upon such terms as determined by the redevelopment commission.

(g) All money received from any bonds issued under this chapter shall be applied solely to the payment of the cost of providing public facilities within a certified technology park, or the cost of refunding or refinancing outstanding bonds, for which the bonds are issued. The cost may include:

- 40 (1) Interest bearing direct obligations of the United States or of
- 41 the state or bonds lawfully issued by an Indiana political

27 report of the condition of the 1937 fund to the unit's fiscal officer on the
28 first Monday of February in each year.

29 (d) All securities that were owned by and held in the name of the
30 local board on January 1, 1938, shall be held and kept for the local
31 board by the unit's fiscal officer (or county treasurer) until they mature
32 and are retired. However, if an issue of the securities is refunded, the
33 local board shall accept refunding securities in exchange for and in an
34 amount equal to the securities refunded. All money received by the
35 local board for the surrender of matured and retired securities shall be
36 paid into and constitutes a part of the 1937 fund of the unit, as provided
37 in section 8 of this chapter.

38 (e) Investments under this section are subject to section 2.5 of this

44 SECTION 355. IC 36-8-7.5-11 IS AMENDED TO READ AS
45 FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 11. (a) The local board
46 shall determine how much of the 1953 fund may be safely invested and

1 how much should be retained for the needs of the fund. The investment
 2 shall be made in interest bearing direct obligations of the United States,
 3 obligations or issues guaranteed by the United States, bonds of the state
 4 of Indiana or any political subdivision, or street, sewer, or other
 5 improvement bonds of the state of Indiana or any political subdivision.
 6 However, the local board may not invest in obligations issued by the
 7 consolidated city, the county, or any political subdivision in the county.
 8 Any securities shall be deposited with and remain in the custody of the
 9 treasurer of the local board, who shall collect the interest due on them
 10 as it becomes due and payable. The local board may sell any of the
 11 securities belonging to the 1953 fund and borrow money upon the
 12 securities as collateral whenever in the judgment of the local board this
 13 action is necessary to meet the cash requirements of the 1953 fund.

14 (b) The revenues derived from the tax levy authorized by section
 15 10(c) of this chapter may not be invested but shall be used for the
 16 exclusive purpose of paying the pensions and benefits that the local
 17 board is obligated to pay. These revenues are in addition to all money
 18 derived from the income on the investments of the board.

19 (c) Investments under this section are subject to section 1.5 of this
 20 chapter.

21 **(d) If the local board decides to allocate part of the assets of the**
 22 **1953 fund to alternative investments (as defined in IC 5-10.2-2-18),**
 23 **the local board shall comply with the limitations and restrictions**
 24 **set forth in IC 5-10.2-2-18.**

25 SECTION 356. IC 36-8-10-12 IS AMENDED TO READ AS
 26 FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 12. (a) The department
 27 and a trustee may establish and operate an actuarially sound pension
 28 trust as a retirement plan for the exclusive benefit of the employee
 29 beneficiaries. However, a department and a trustee may not establish
 30 or modify a retirement plan after June 30, 1989, without the approval
 31 of the county fiscal body which shall not reduce or diminish any
 32 benefits of the employee beneficiaries set forth in any retirement plan
 33 that was in effect on January 1, 1989.

34 (b) The normal retirement age may be earlier but not later than the
 35 age of seventy (70). However, the sheriff may retire an employee who
 36 is otherwise eligible for retirement if the board finds that the employee
 37 is not physically or mentally capable of performing the employee's
 38 duties.

39 (c) Joint contributions shall be made to the trust fund:

40 (1) either by:

41 (A) the department through a general appropriation provided
 42 to the department;

43 (B) a line item appropriation directly to the trust fund; or

44 (C) both; and

45 (2) by an employee beneficiary through authorized monthly
 46 deductions from the employee beneficiary's salary or wages.

1 However, the employer may pay all or a part of the contribution
2 for the employee beneficiary.

3 Contributions through an appropriation are not required for plans
4 established or modifications adopted after June 30, 1989, unless the
5 establishment or modification is approved by the county fiscal body.

6 (d) For a county not having a consolidated city, the monthly
7 deductions from an employee beneficiary's wages for the trust fund
8 may not exceed six percent (6%) of the employee beneficiary's average
9 monthly wages. For a county having a consolidated city, the monthly
10 deductions from an employee beneficiary's wages for the trust fund
11 may not exceed seven percent (7%) of the employee beneficiary's
12 average monthly wages.

13 (e) The minimum annual contribution by the department must be
14 sufficient, as determined by the pension engineers, to prevent
15 deterioration in the actuarial status of the trust fund during that year. If
16 the department fails to make minimum contributions for three (3)
17 successive years, the pension trust terminates and the trust fund shall
18 be liquidated.

19 (f) If during liquidation all expenses of the pension trust are paid,
20 adequate provision must be made for continuing pension payments to
21 retired persons. Each employee beneficiary is entitled to receive the net
22 amount paid into the trust fund from the employee beneficiary's wages,
23 and any remaining sum shall be equitably divided among employee
24 beneficiaries in proportion to the net amount paid from their wages into
25 the trust fund.

26 (g) If a person ceases to be an employee beneficiary because of
27 death, disability, unemployment, retirement, or other reason, the
28 person, the person's beneficiary, or the person's estate is entitled to
29 receive at least the net amount paid into the trust fund from the person's
30 wages, either in a lump sum or monthly installments not less than the
31 person's pension amount.

32 (h) If an employee beneficiary is retired for old age, the employee
33 beneficiary is entitled to receive a monthly income in the proper
34 amount of the employee beneficiary's pension during the employee
35 beneficiary's lifetime.

36 (i) To be entitled to the full amount of the employee beneficiary's
37 pension classification, an employee beneficiary must have contributed
38 at least twenty (20) years of service to the department before
39 retirement. Otherwise, the employee beneficiary is entitled to receive
40 a pension proportional to the length of the employee beneficiary's
41 service.

42 (j) This subsection does not apply to a county that adopts an
43 ordinance under section 12.1 of this chapter. For an employee
44 beneficiary who retires before January 1, 1985, a monthly pension may
45 not exceed by more than twenty dollars (\$20) one-half (1/2) the amount
46 of the average monthly wage received during the highest paid five (5)

years before retirement. However, in counties where the fiscal body approves the increases, the maximum monthly pension for an employee beneficiary who retires after December 31, 1984, may be increased by no more or no less than two percent (2%) of that average monthly wage for each year of service over twenty (20) years to a maximum of seventy-four percent (74%) of that average monthly wage plus twenty dollars (\$20). For the purposes of determining the amount of an increase in the maximum monthly pension approved by the fiscal body for an employee beneficiary who retires after December 31, 1984, the fiscal body may determine that the employee beneficiary's years of service include the years of service with the sheriff's department that occurred before the effective date of the pension trust. For an employee beneficiary who retires after June 30, 1996, the average monthly wage used to determine the employee beneficiary's pension benefits may not exceed the monthly minimum salary that a full-time prosecuting attorney was entitled to be paid by the state at the time the employee beneficiary retires.

(k) The trust fund may not be commingled with other funds, except as provided in this chapter, and may be invested only in accordance with statutes for investment of trust funds, including other investments that are specifically designated in the trust agreement.

(l) The trustee receives and holds as trustee all money paid to it as trustee by the department, the employee beneficiaries, or by other persons for the uses stated in the trust agreement.

(m) The trustee shall engage pension engineers to supervise and assist in the technical operation of the pension trust in order that there is no deterioration in the actuarial status of the plan.

(n) Within ninety (90) days after the close of each fiscal year the trustee, with the aid of the pension engineers, shall prepare and file an annual report with the department and the state insurance department. The report must include the following:

(1) Schedule 1. Receipts and disbursements.

(2) Schedule 2. Assets of the pension trust listing investments by book value and current market value as of the end of the fiscal year.

(3) Schedule 3. List of terminations, showing the cause and amount of refund.

(4) Schedule 4. The application of actuarially computed "reserve factors" to the payroll data properly classified for the purpose of computing the reserve liability of the trust fund as of the end of the fiscal year.

(5) Schedule 5. The application of actuarially computed "current liability factors" to the payroll data properly classified for the purpose of computing the liability of the trust fund as of the end of the fiscal year.

(o) No part of the corpus or income of the trust fund may be used or

diverted to any purpose other than the exclusive benefit of the members and the beneficiaries of the members.

(p) If the trustee decides to allocate part of the assets of the pension trust to alternative investments (as defined in IC 5-10.2-2-18), the trustee shall comply with the limitations and restrictions set forth in IC 5-10.2-2-18."
